

Componibilità

Soluzioni particolari

Sistema componibile che offre massima libertà compositiva grazie all'ampia gamma di moduli disponibili e alla possibilità di tagli secondo le dimensioni desiderate, in altezza, larghezza e profondità. Possibilità inoltre di avere soluzioni speciali che prevedono angoli, terminali, ponti, passaggi sopraporta, nicchie, cassettiere a vista sulla facciata e tagli a mansarda realizzati su progetto. Tutte le soluzioni speciali vengono realizzate in svariate finiture che spaziano, a seconda della tipologia di anta e apertura, dai laccati opachi Lemacolortrend, ai laccati Lemacolorlucido, a legni, vetri, tessuti, con alcune limitazioni.
